## **Announcement Regarding Investment in Southeast Asia Fund Operated by IMJ Investment Partners Pte. Ltd.**

Invast Securities Co., Ltd. (hereinafter referred to as “Invast”) has entered into a Limited Partnership Agreement with IMJ Investment Partners Pte. Ltd. (hereinafter referred to as “IMJ IP”). Details are as follows.

### 1. Reason for Investment

Founded in 2012, IMJ IP is the first Japanese venture capital firm to move its headquarters to Southeast Asia (Singapore). With dedicated resource allocated across the region, IMJ IP conducts management support and investment activities mainly for Southeast Asian IT startup companies as well as for Japanese companies alike.

Invast's investment into “IMJ-IP Global III”, a fund managed by IMJ IP, will allow Invast to build close relationship with IMJ IP and benefit from its extensive local network in seeking out opportunities for strategic partnership with innovative startup companies in a fast growing economy.
