## ST24 Strategy Award 2013

The Best Strategy out of 8,000! Broadcasted by [ZAI FX-TV] on Dec 20<sup>th</sup>

The automated FOREX trading system [ST24] directed by Inavest Securities is announcing to have "ST24 Strategy Award 2013". The ceremony is to award the strategies which contributed the most for our valuable customers.

ST24 operates "Strategy" which is the automated trading program designed by professional traders. The number of strategies reached 8,053 which is the highest number of all other world providers (as at November 15<sup>th</sup> 2013)\*.

This event determines the Grand Prix winner and other awards carefully elected by our customers and a panel of industrial judges. ZAI FX-TV broadcasts the final result on November 20<sup>th</sup> (Fri) 2013. ST24 values the quality of strategies at an exceptional level, and will be providing the outstanding strategies with the world partners.

(\*within Mirror Trader providers as at November 13<sup>th</sup> 2013, Tradency Co.,)

### About "ST24 Strategy Award 2013"

#### Overview

The customers elect the nominated strategies out of all strategies in ST24. The panel of judges then determines the Grand Prix winner and other awards from the nominated strategies. A Grand Prix trophy and other recognitions are given to those awards.

#### Selection Process

##### 1. Nominated Strategy

Top 10 nominated strategies are elected by customers.

- Eligible Customers: Those with ST24 live trading accounts (1 vote per customer)
- Eligible Strategies: All Strategies installed in ST24

##### 2. Selection Process

Panel of judges examines the nominated strategies and select the awards.

#### Time Schedule

Nov 22 <sup>th</sup> (Fri)	Customer's Election opens. Votes are registered at MyPage.
Dec 13 <sup>th</sup> (Fri)	Customer's Election closes. Nominated strategies are determined.
Dec 16 <sup>th</sup> (Mon)	Panel of Judges starts examining.
Dec 20 <sup>th</sup> (Fri)	Awards selection live-broadcasted by ZAI FX-TV

**Financial Disclaimer**

**All trades are vulnerable from a risk arising from market volatility of currency values and interest rates. In addition, swap points may shift from receivables to payables. Despite Invast Securities automatically executes all positions in order to limit losses in case of margin call, unexpected market volatility may result in a loss which overcomes your entire deposits due to a nature of a leverage system which allows you to trade over the amount you have in your account.**

● Transaction fees are excluded for both entry and closing trades. ● Investment advisory fees are charged at 3 yen per 1,000 currency pair units (inc. tax), and included in spreads. ● All trades are subject to spreads (differences between bid and ask prices), and unexpected market movement may result in spread's enlargement. ● Required deposits are 4% of a market value (in Yen), and a maximum 1:25 leverage is permitted in all trades. ● “ST24 Mirror Trader” is a trading platform where users are to select strategies and proceed automated trades by following strategy's signals. Also, users are able to trade manually. For other important issues, please refer to our homepage.
